

The number 666 to those with Christian roots represents "the Devil", "Satan", "the Beast" as portrayed by Christianity, and the spirit of evil as promoted by satanists like Aleister Crowley, the "prophet" and founder of the Ordo Templi Orientis (Eastern Templar Freemasons) in its current form. But at last we can learn the true meaning of 666, a meaning that was falsified and twisted into the Christian concept of Anti-Christ.

666 actually represents the Anti-logos, the un-reason, which leads to all forms of evil.

It is the child of evil, the child of destruction, who is a deadly enemy of knowledge, wisdom, and truth – an enemy of love, peace, reverence, and harmony. It is the Antilogos, in a myriad of forms.

CULT RELIGION

"The most sordid pretext of maximum power in the name of false and mendacious love that literally walks over dead bodies without hesitation or scruple.

"Backed by the false doctrine of the New Testament, the Christian cult religion meddles in the politics of all countries. Moreover, it is not embarrassed to interfere in the most intimate family life of human beings --even in the bed of marriage partners--in order even there to attack and destroy the last and most private secrets of human beings.

Now finally has come the time when a stop can be put to all these unscrupulous activities, if man becomes sensible enough, revises his thinking and devotes himself to the real teachings of Jmmanuel. In all likelihood, all those who have bashed their heads against the brick wall of the cult religions deceitful madness and are therefore no longer capable of normal and

sensible thinking, will fight and oppose it with all means; and yet, their desperate fight will be in vain because truth will be stronger than any cult-religious mania or dirty lie, even though the lie has been in existence for thousands of years. The scandalous falsehoods of cult religions will now be shattered and destroyed for good, no matter how much the cult religions and all their followers and advocates rebel against it. Finally truth will be victorious, even though it must be secured through great struggles, as it has been written in the Scriptures, which say that the truth will provoke a worldwide catastrophe. However, truth is required and must no longer be silenced. A catastrophe will be understandable if one considers that the cult religions have attained immense power, which so far has enabled them to suppress, with murderous and sordid means, all truths directed against them. They will again attempt to do this, even if it means indulging in murder as has often been the case in the past." - [Billy Meier](#), [Talmud Immanuel](#), [Introduction](#)

THE BELIEF

The Hinduism, the Islamism, the Judaism, the Buddhism, and the Christianity, all of them divide the earthly human beings. **THEREFORE FREE YOURSELVES FROM THESE THINGS!!!** (Note by The Anonymous Compiler,)

While we are very young maybe most of us are not largely affected by the conflicts of life, for the concerns, for the passing and brief happiness we have, for physical disasters, for the fear of death and the mental distortions that weigh on the oldest generation. Happily, while we are young, most of us still don't meet in the battlefields of life. But, as we grow old and become aged, the problems, the anguishes, the doubts, the economical and interior fights, all this begins to accumulate in us, and then we want to find the sense of the life, then we all want to know what is the meaning of life. We get perplexed with the conflicts, with the pains, with the poverty, with the disasters. We want to know why some people are well put and some people are not; why a human being has health, is intelligent, well-endowed, capable, while another human being is not. AND if we are little demanding, we were soon arrested by some hypothesis, by some theory or faith; we found an answer, but it is never the TRUE answer. We have then verified that life is ugly, painful, sad, and we began to inquire; but having not enough own trust, energy, intelligence, innocence, to continue inquiring, and soon we are picked in the meshes of some theory or faith, speculations or doctrines that explains satisfactorily all this. Little by little our faiths and dogmas become deeply rooted and unshaken, because behind them there is a constant fear of the unknown. We have never examined the fear; we strayed from it and we took refuge in our faiths, - the Hinduist, the Buddhist, the Christian, the Jewish, the Islamic - we then have in truth verified that all of them just divide the human beings of planet Earth. Each group of dogmas and faiths possess a series of rituals, a series of compulsions that they tie the mind and they only separate one man from the other. (Jiddhu Krishnamurti)

*Translation from the original book in German Language **Plejadisch-plejarische Kontaktberichte, Gespräche, Block 2 (Plejadian-Plejaren Contact reports, Dialogues, Block 2)***

Passages from Dialogues of Semjase with Billy Meier.

Contact Nr. 45, Wednesday, February 25, 1975, 03:04hrs, lines 138 to 148.

(Please note: This translation is not an official, approved FIGU translation.)

Semjase:

138. Die Zahl 666 trifft wohl auf einen Menschen der Erde zu, zugleich aber auch auf einen Ausserirdischen und auf beider Werk.

138. The number 666 points fully to one of the Earth humans, but at the same time also to an extraterrestrial, and to the work of both.

139. Zu beachten dabei ist aber, dass der irdische Mensch wider seinen Willen zum Zahlenwert 666 gelangt ist, zum Antilogos nämlich, zur Lüge und Unwahrheit.

139. But thereby to bear in mind is that the Earth human has arrived at the numerical value 666 - namely to the anti-logos, to lies and falseness - against his will.

140. Dies durch einen ihm wider seinen Willen zugegebenen Lügennamen, gegeben durch Fanatiker, Lügner und Betrüger, durch Religionen, Scharlatane und Machtgierige.

140. This (happened) through a false name attributed to him against his will, given through fanatics, liars and deceivers, through religions, scharlatans and power-greedy ones.

141. Also trifft der Wert der Zahl 666 nicht auf die eigentliche Person und das Denken und Tun dieses schon längst dahingegangenen Erdenmenschen zu, sondern auf die Wahngestalt, die aus ihm gemacht wurde und die als religiöse Kultgestalt die Erde beherrscht.

141. The value of the number 666 also does not point to the essential person and the thoughts and acts of this already long passed away Earth human, rather on the delusional figure which was made out of him and who governs the Earth as a religious cult figure.

142. Es ist dies das absolut Böse und Irreale, das Vernichtende und Zerstörende, nämlich die Lüge und Unwahrheit, das Antilogos.

142. It is this that is the absolute evil and unreal, the annihilating and destroying, namely the lie and un-truth, the anti-logos.

Billy: Das ist sehr gut dargelegt, doch du könntest ruhig den Namen nennen.

Billy: That is very well described, yet you can just name the name.

Semjase:

143. Der Name ist in kabbalistischen Kreisen schon sehr lange bekannt, auch der des Ausserirdischen und seines Werkes.

143. The name is already long known in Kabalistic circles, as well as the name of the extraterrestrial and his work.

144. Doch aber versuchen seit zweitausend Jahren die Kabbalisten die Zahlenwerte der Buchstaben zu verfälschen, weil sie die Wahrheit nicht anerkennen wollen.

144. Indeed, but the Kabalists attempt, since 2000 years ago, to falsify the numerical values of the letters, because they do not want to acknowledge the truth.

145. Der Zahlenwert 666 trifft auf die deutschsprachigen Werte Gott, Kirche, Christ und Jesus zu.

145. The numerical value of 666 corresponds to the the German language values of God, Church, Christ and Jesus.

146. Jesus ist die lügenhafte Bezeichnung für Immanuel, der sich schon zu seiner Lebzeiten gegen diese Benennung verwehrt, weil er die Zukunft kannte und wusste, was aus ihm gemacht würde.

146. Jesus is the mendacious title for Immanuel who already during his life time rebelled against this title, because he recognised the future and knew what would be made out of him.

147. Jesus ist der Wert Antilogos, das jedoch die christliche Kirche in Antichrist umfälschte, weshalb ja auch die wahrliche Lehre Immanuels bis zur Unkenntlichkeit verfälscht wurde.

147. Jesus is the value of anti-logos which, however, the Christian church falsified/turned into antichrist, wherefore also indeed the true teachings of

Immanuel would be falsified to the point of being unrecognisable.

148. Diese Dinge jedoch sind den Kabbalistikern schon seit rund zweitausend Jahren bekannt, weshalb sie die Zahlenwerte dauernd zu verfälschen versuchen, wie ich bereits erklärte.

148. These things are/were however already known by the Kabalistics for around two thousand years wherefore they continually attempt to falsify the numerical values as I already explained.

The Son of Lie

The Face of the Liar and Non-Existent Jesus Christ

WHO IS THE ANTILOGOS? AN URGENT MESSAGE TO HUMANKIND.

Truth: ISAIAH 7: 14 Therefore the Lord himself shall give you a sign; Behold, a virgin shall conceive, and bear a son, and shall call his name Emmanuel

NOTE: In the book "FORGERY IN CHRISTIANITY", by author Joseph Wheless - 1930, it is explained: *Isaiah's original Hebrew, with the mistranslated words underscored, reads: "Hinneha ha-almah harah ve-yeldeth ben ve-karath shem."*

o immanuel"; -- which, falsely translated by the false pen of the pious translators, runs thus in the English language: "Behold, a virgin shall conceive and bear a son, and shall call his name Immanuel" (Isa. vii, 14.) The Hebrew words ha-almah mean simply the young woman; and harah is the Hebrew past or perfect tense, "conceived," which in Hebrew, as in English, represents past and completed action. Honestly translated, the verse reads: "Behold, the young woman has conceived -- (is with child) -- and beareth a son and calleth his name Immanuel."

Almah means simply a young woman, of marriageable age, whether married or not, or a virgin or not; in a broad general sense exactly like girl or maid in English, when we say shop-girl, parlor-maid, bar-maid, without reference to or vouching for her technical virginity, which, in Hebrew, is always expressed by the word bethulah. But in the Septuagint translation into Greek, the Hebrew almah was erroneously rendered into the Greek parthenos, virgin, with the definite article 'ha' in Hebrew, and e in Greek, (the), rendered into the indefinite "a" by later falsifying translators. (See Is It God's Word? pp. 277-279; EB. ii, 2162; New Commentary on the Holy Scripture, Pt. I, p. 439.) And St. Jerome falsely used the Latin word virgo.

Half Truth: *Matt. 1:23 Behold, a virgin shall be with child, and shall bring forth a son, and they shall call his name Emmanuel, which being interpreted is, God with us. (correct meaning is 'one with godly knowledge see TJ 1:87)*

Truth: TJ 1:87. *"They will name the fruit of her womb Immanuel, which translated means 'the one with godly knowledge,' as a symbol and honor to god. Through god's power and providential care the Earth was made to bear intelligent human life when the celestial sons, the travelers from the far reaches of the universe, mated with the women of Earth. (From [Talmud Immanuel Chapter 1](#))*

Lie: *Matt 1:25 And knew her not till she had brought forth her firstborn son: and he called his name JESUS. (contradictory statement as to Matt. 1:23 and Isaiah 7:14 - Note by "Der Meramiemann")*

Truth of the Liars: *It is an act of virtue to deceive and lie, when by such means the interest of the church might be promoted -Bishop Eusebius (260-339)*

Monstrance/die Monstranz/Ostensório/Altar/der Altar [Click here to see Church:](#)

"...in the name of false and mendacious love that literally walks over dead bodies without hesitation or scruple."

The Real Truth contained in this text the reader is about to read is especially directed to all those who ever built or are building temples erected to lies, to deceiving, and to the enslavement of humankind minds and souls. Those existing ancient and *beautiful* temples and cathedrals which are called by many the "house of God", which are spread all around the planet, are in reality and in Truth temples and cathedrals erected with innocent human blood. Their columns and every single brick of their walls are made of human bones, the cement they used was made with smashed human flesh, the water they used to mix all this was human blood itself and

everything made "in the name of the holy cross".

The Real Truth contained here is intended for the honor and memory firstly of **Judas Iscariot** himself, who was NOT the real betrayer of Jmmanuel, and also for every single human being: woman, small babies, little boys and girls, young and old men, and to all slaves, be it with white or black skin color, and to every single Indian, from every single tribe, from both North and South America and to every single droplet of innocent human blood that was shed –*because of the name of the cross* - and all those who were killed, assassinated – *because of name of the cross* - by the sword, with spears, arrows, axes, by stoning, by hanging, by dismemberment of arms and legs, by crushing with heavy wheels, the thousands that were killed by burning at the stake (like Giordano Bruno - a Wiseman himself - who believed there was life in outer space and he was right!), to those who died by drowning, by being cooked alive in boiling hot oil or by being obligated to swallow molten lead or molten candles' wax, or by stripping off the skin.

This truth is dedicated to all those who were innocently killed by the merciless assassins, with the "*blessings from the church*", known as "[Crusaders Knights](#)", "Templars Knights", considered to be "heroes and saints": (*the Fathers and the proud of Freemasonry!*), but in reality and Truth were merciless murderers and are also known and praised by a *well known* secret brotherhood knoww as Freemasonry - *ex-builders* of immense Cathedrals in Middle Age - *erected to lies* and *deceiving*, and as the founders of the "Knights Templars", which in reality were real assassins, well paid by the "*Holy Mother Church*", who also killed with the sword, arrows, and spears, thousands and thousands of human beings in the Middle East in ancient times. This truth is dedicated to every single innocent human being who was judged and assassinated, accused of "heresy", just for not *believing* in the poisonous only-son serpent by the ignorant leaders of the "*Holy Mother Church*" in all "*Holy Inquisitions*" and all this, all this bloodshed, made only *in the name of the "holy cross"*.

The time of truth has come to all of you, each and every single

one of you of the clergy, from the lowest ranking priest to the highest of you: the so called "supreme representative" of a non-existent and evil "God" on Earth and who also represents the legacy of his non-existent only-son; his only-son who is a poisonous crawling serpent and root of all evil who supposedly holds *Peter's keys of heaven* that in reality are the *keys of the doors of the hell* and darkness of ignorance only you yourselves opened and have created on Earth and who considers himself to be the *maximum* Crown of Creation. This truth wisely written/researched below is intended for each one of you for you to swallow it down your throats the true and real "serpent of evil" and real root of all human bloodshed and horrible suffering throughout all known Earth history. Solve the puzzle you "*wisemen*" from the Churches and secret pseudo esoteric orders of all colors and denominations!

The Most Read Book of Lies!
FREEMASONS AND THE CHURCH ARE TOGETHER

Fictitious "Jesus Christ" is itself a poisonous serpent you yourselves - clergymen, Pharisees, and secret societies - created a long time ago, more precisely 2000 and a few years

ago and that is one of the most hideous lies existent on this Planet called Earth and one of the main causes of all evil existent on this planet. You yourselves and other Pharisees created this fairy-tale and fictitious character called "Jesus Christ" by the ones deceived by you and you are the main personages of the horror story: the *bloodthirsty wolves* hidden behind the *bushes of your lies*! To all of you who wear cassocks and to all those who handle a crosier and wear tiaras I give you my wise *whip of despise* and my *sword of knowledge*, understand you the metaphors: With this whip, made of wise words, I do whip you and with the sword of knowledge I firstly tread on the serpents bodies then I cut off the heads of the serpents itself with it. May my words of knowledge be echoed throughout all existent Universes and may it be heard by all humankind of Earth and by all human beings in all Universes! So be it!

FREEMASONIC TRASH, PURE GARBAGE, AS IS THE PIG "JESUS CHRIST"
THEY HAVE CREATED WITH THE CHURCH!

The Time of Truth Has Come!

Writing Right Things Through Distorted Lines

In **Brazil**, the country I was born, there is a very popular *Christian* saying that is used when things go contrary to what one was expecting; which goes something like this: "*God writes right things through distorted lines.*" I was never fond

of Bibles but felt obligated to study it to understand some matters. After you finish reading these quite interesting and enlightening passages from the Bible you will understand correctly the same saying above that I changed to: *Creation really writes right things through distorted lines.*

I am used to sending these explanations below as a last resort and last argument only, and especially to those hard-headed persons that do not accept in any form any kind of argument that might be contrary to their pious beliefs in a character known as Jesus Christ, and, who, instead of using intelligent arguments in reply to my tentative way of explaining to them that there was never someone called JC anytime in history and that this JC is just a fictional character intentionally created by the minds of fanatics of ancient times, attack me with harsh words and also accuse me of being some kind of "Satanist" "Antichrist" or something foolish and irrational like that. I use this text as the *last card* to finally terminate once and for all the subject and dialogues with them in order to make things very clear to them at once. The reader must bear in mind that such characters as Lucifer, Satan, and Devil do not exist in reality, be it in spirit-form or human-shaped form, but such fictitious characters are a concept, an "idea, a "thought form" or an evil implanted conscience that simply represents everything that is contrary to the Wisdom, Knowledge, Perfect Harmony, and Love of [Creation and its Laws and Directives](#) and actually is the situation of extremely spiritual confusion and the general situation of extreme havoc planet Earth has been made into by the irrationality of wrong and false teachings of earthly religions, especially Christian sectarian ones, politics, governments, etc... I wonder which Creation's powerful forces induced the ancient writers/redactors/falsifiers of the biblical passages below for them to unconsciously write the right "hidden things" contained in the verses the reader will have now the opportunity to understand perfectly. There are clearly signs that such things were written a long time ago to be clearly understood by a few people, in the distant future, that means certainly our present Era when we all know that on Earth there is a [REAL PROPHET OF NEW AGE](#) living among us and that is

known and recognized as such only by a few conscientious people who are spread around the world. I really do not know how many people ever realized this hidden - allow me to say - "secret" contained in a book that for many is considered to be the real word of "God" but in reality and truth is a collection of words created in the minds of very pious, deceived, and self delude men of ancient times who distorted real truth and also added wrong interpretations of their own wrong comprehension of what was and what really is Creation. For millennia thousands of the so-called occultists and mystics of every sort tried hard, without measuring efforts, but without any success at all, to find out by means of Kabbalah, Numerology, Taroth, Astrology and other unimaginable means of "*divination*" possible intending to reveal who, in reality, is

the so called *BEAST 666* mentioned *χξς* in Revelations. Pure and simple waste of time, paper, money, brains and saliva in long discourses in both written and spoken form. Many personalities of Earth history, dead or alive, were pointed to and considered to be the so-called Beast. There were really an innumerable quantity of "candidates" to be nominated the so-called Beast. BUT until now nobody was able to realize that the Beast 666 had always been imbedded in their own minds, hearts and souls and also around themselves for millennia inside and outside *the churches* all over the planet and that in reality the Beast is/was a fictitious personage created and has been sustained by religious groups, more precisely the Roman Catholic Church, from which all other Christian churches and sects of every imaginable denomination existent on Earth were derived or originated from and that the "Conscience of the Beast" was implanted solely by those churches themselves as well.

("Der Meramiemann")

Please, read the text carefully to understand that these passages, or metaphors if you wish, were surely *intended to be understood by certain predestined persons of this present Era* we are living in now as it is implied in the following passages in the Talmud Jmmanuel:

TJ 32:45. "And it can be read in the stars that the people of the new age will be great revolutionaries. Thus, some special predestined people, who will be the new proclaimers of my teachings, will preach them unfalsified and with great courage." (From Talmud Jmmanuel Chapter 32)

TJ 23:49. "The harsh words of truth themselves will be the instructive judgment and penalty for all those who live according to false teachings and degrade the wisdom of the spirit." (TJ Chapter 23)

TJ 21:29. "Therefore, beware of the false and adulterated future teachings that will insult me when they call me the Son of Creation and the Son of God." (TJ Chapter 21)

TJ 21:30. "From these false teachings, lies will be spun, and because of them the world will suffer much deprivation and misery. " (TJ Chapter 21)

TJ 26:37. 'Just as you will bind the land of the Greeks to an evil religious cult because of your false teachings, so you will call me "the Anointed" in their language.' (TJ Chapter 26: Jmmanuel speaking to Saul/Paul.) *

TJ 26:38. "It will be your fault, due to your lack of understanding, that they will call me Jesus Christ, which means 'the Anointed.'" (TJ Chapter 26)

TJ 26:39. "And it will be your fault, due to your lack of understanding, that human blood will be shed in this name, so much that it cannot be held in all existing containers. (TJ Chapter 26)

REVELATIONS 13:18 IN GREEK LANGUAGE:

(In original Greek language text supposedly written by John in Greece)

ὧδε ἡ σοφία ἐστὶν ὁ ἔχων τὸν νοῦν θηρίσῃ τὸν
ἀριθμὸν τοῦ ψηφίου ἀριθμῶ γὰρ ἀνθρώπου
ἐστὶν καὶ ὁ ἀριθμῶ αὐτοῦ **χξς**

English language translation:

Revelation 13:18 **Here is wisdom.** Let him that hath understanding count the number of the beast: ***for it is the number of a man***, and his number [is] **Six hundred threescore [and] six.**

χξς = 666. *In GREEK they use letters INSTEAD of numbers.*

The number 666 is represented by the Greek letters , **χ** , **ξ** and **ς** , (Chi, Xi and Sigma). The explanation below shows how these Greek letters can be interpreted to represent titles for Jesus.

Note: There are various Christian symbols used throughout the history of the Church which employ letters from Christos, (ΧΡΙΣΤΟΣ), the Greek word for Christ, sometimes in combination with letters from other titles for Jesus. For instance, the famous chi-rho monogram, a symbol which became part of the official standard of the emperor Constantine, was made from the first two letters of Christos (ΧΡΙΣΤΟΣ), **Χ** and **Ρ**. **Other symbols use the first and last letter, or just the first, and so on.**

INTERPRETATION OF GREEK LETTERS:

600 = (Chi) **Χ** *first letter of his name*

60 = (Xi) **Ξ** *represents a serpent like the letter E*

6 = (Sigma) **Σ** *last letter of his name*

ΧΡΙΣΤΟΣ (Chrestos)

Christos = 666 are the initials of the name of the Beast, in Greek.

Χ Ξ Σ **corresponds approximately to Xes or Ches.**

("Xes" and "Ches" have the same sound as the "Jes" in Jesus.)

Note: In the 16th century, the "J" version of the "I" adopted a new sound, like in "X". "XEZVS" in Roman letters: **Xesús** (Jesús).

We can clearly observe that Revelations 13:18 loses real meaning/sense when original Greek numbers are translated in other languages to written form as six-hundred-and-sixty-six. ("Der Meramiemann")

What is the name of the Antilogos falsifier?

"The followers of Christianity have been misled to worship a false person; a non existent and fictional character named "Jesus Christ" and proclaim this wrong, deceiving and evil name now for over 2000 years, convinced by the names they hear from their pastors and read in their establishment Bibles. Yet some wonder what the name of the impostor who is foretold to come will be, though the answer is under their very noses if they only could understand the correct words of ISAIAH 7: 14 Therefore the Lord himself shall give you a sign; Behold, a virgin shall conceive, and bear a son, and shall call his name Emmanuel.."

***I AM THE REAL 666 - I DECEIVED YOU FOR MORE THAN 2000 YEARS
NOW YOU KNOW***

die Herr XezVs-Christos

the LorD XezVs Christos

D + C = 600

L + X = 60

V + I = 6

666

Transcribed for biblical Hebrew, it will be:

ד ל רד תזס ברס ט ס
60 9 60 200 20 20 60 9 4+4 200 30 4
60 + 289 + 75 + 238 + 4 = 666

Therefore summing up 666 in Hebraic numerals!

(Thanks for the above information go to this writer,
<http://www.sacrednamemovement.com/JesusChrist=666Essay.htm> who,
however, is still very confused by the false teachings.)

And so it is!! There really is wisdom and knowledge here! Did you understand it now? The real meaning of Anti-Logos? It is very different from Anti-Christ! The Great Beast 666 is this one everyone has adored for more than 2000 years and its name is JESUS CHRIST, and is hung on a cross at the churches and is adored and followed by thousands of misled and deceived people by all the churches of all denominations and that itself in turn originated from the Church of Rome-Vatican, whose erroneous and false teachings transformed the world in the horror and in the madness, and in the total poverty it is nowadays! And many "pseudo-doctors" of the churches and other crazy and lying Pharisees of an existent and well known "secret fraternity just and perfect", they always knew about it and they used it to deceive all humankind to enslave it by all possible and imaginable means through politics and the erroneous teachings of religions!

OTHER MEANINGS FOR THE NAME "JESUS"- THE PIG.

Not Copyrighted. Unknown and Anonymous author. Can be freely used.

Yeshuw(a) (יֵשׁוּעַ) Which is an acronym for "Yemach Shemow W-zikhrow, meaning, "May His name and memory be

erased, and it was used in the "Toldoth Yeshu, a very old rabbinical Judaist document that scorned the so called "Anointed."

The Jewish community says that the Hebrew name of Jesus is Yeshu יהושע in the Jewish traditional way for the name Jesus.

The name * Iasous * in Greek is the equivalent for the Hebrew word "Yehoshua"

These Jewish pseudonyms were transliterated into Koiné Greek, which has no "sh" sound, Iesou And which routinely alters proper

names, conjugating them: **Iesou**

The Romans transliterated that, giving it the Latin "-vs (-us) masculine suffix: Iesus (IESVS). In the 14th century, initial "I" letters were extended below the line in order to distinguish it from the "I Iesus (jesus)

"Je-SUS" pronounced Gee-SOOCE and this is from the Latin word/name

"Ie-SUS" pronounced Ee-SOOCE. The suffix is the same as the Latin word for "PIG".

"Je-SUS" pronounced Gee-SOOCE and this is from the Latin word/name "Ie-SUS" pronounced Ee-SOOCE. The suffix is the same as the Latin word for "PIG".

Excluding the Greek word/name, this Latin word for SWINE i.e. pig ---"SUS" is identical in writing to the suffix of the Latin and the

English transliteration "Ie-SUS" and "Je-SUS". "SUS" pronounced "SOOCE" or "ZUS" in English! In Latin it means "SWINE" i.e. PIG,

and has the same sound as the Greek suffix in the word/name "Ie-SOUS" , pronounced "SOOCE" Here are some more interesting

parallels In the Spanish translations of the scriptures such as in Mexico for example the name is written "Je-sus" but it is pronounced

He or HEY - SOOCE. Both the suffix spelling and sound of the suffix is the same for the Latin word "SUS", which means SWINE.

(According to the dictionary this word SWINE can also mean a CONTEMPTIBLE Person)
THE LITERAL WRITTEN PARALLELS ARE

THERE! THE LITERAL PHONETIC PARALLELS ARE THERE!

JESUS: THE SWINE

[ME fr.OE swin; akin to OHG swin swine LATIN -SUS--more at SOW]

1: any of various stout-bodied short legged omnivorous mammals (family Suidae) with a

thick bristly skin and long mobile snout; esp.: a domesticated member of the species (Sus Scrofa) that includes the European wild boar often used collectively 2: a contemptible person (Webster's Seventh New Collegiate Dictionary)

The Catholic Church uses the Latin a DEAD LANGUAGE, whose words always retain the same meaning: 1: To preserve the "original

doctrine in all it's purity;

2: To safeguard the proper "Forms of the Sacraments;

(The Converts Catechism of Catholic Doctrine) If you look you can easily see the Latin word for pig is written "SUS"! Not hard to understand is it?

According to the Catholic's the meaning in Latin DON'T CHANGE!

Now take a real hard look at this, what do Christians call their Savior?

"Je-SUS" pronounced Gee-SOOCE and this is from the Latin word/name "Ie-SUS" pronounced Ee-SOOCE.

The suffix is the same as the Latin word for "PIG".

Did you know that there was a Celtic "demon god by the name "ESUS" pronounced Ee-SOOCE also know as "HESUS" pronounced

"He" or "Hey" -SOOCE. This god was worship by the ancient Druids (Dictionary of Pagan Religions) page 117 and page 152

"SOOS" in Hebrew can mean "Horse". But in Latin it has a totally different meaning. "SUS".suis 1. Prop.: A swine, hog., pig, boar, sow:

Note: HERR EDUARD ALBERT MEIER or Billy Meier is DEFINITELY NOT JESUS CHRIST please read complete text here:

http://www.figu.org/us/figu/billy_meier/claim.htm

In contrast to Immanuel's true spiritual teachings, the

confused teachings that refer to a Heavenly Father by an imaginary Jesus Christ, contain negative ramifications of lust for blood, of death and destruction, as is also the case with the Bible. By pronouncing the words Christ or Jesus, and based on the true meaning of these words, their evil significance is released through cabbalism a negative ramification full of negative excesses and manifestations. The same also holds true in this context for the terminology "Jesus consciousness", "Christ consciousness", "Christ principle", "God principle", "God consciousness" and the like. Furthermore, Christianity's "New Testament" elevates a human being into an emissary of Creation and allows the person of Jesus Christ to become a cult worship figure. Jesus Christ's confused teachings point to the veneration of an almighty Creator-God who sits in heaven as creator of the entire Universe and organizer of the fate of the world and all human beings living on it. These are confused, nonsensical Christian false teachings whose absurdity, horrendous contradictions and insanity can hardly be expressed in words. Therefore, it is of the utmost importance for human beings on Earth to revert back to the true Creationist teachings, and to squelch once and for all every word formation that may be associated with the fictitious cult figure Jesus Christ, no matter how slight.

The name Immanuel denotes the virtue and meaning of "he of godly knowledge", which, of course refers to the knowledge of an Ishwajsh, i.e., the knowledge of a human being with extremely high learning, of an initiated and wise counsellor. On the other hand, the title Jesus Christ contains the value of all that is evil, excessive and murderous. Christ is the English version of the Old Greek word Christos and is a direct reference to ancient, mysterious cult activities. That is to say that the title Christos was applied to the actual cult rite during cult and unreal rituals, when anointment and unction sacraments were performed on sacrificial offerings and idols. If we speak here of anointments and unctions, it does not refer to ointments and oils, but the blood of infants, girls and virgins, who had been brutally slaughtered and their blood gathered in urns. The votive offerings to the idols and gods of the cult were then smeared or "anointed" with this blood. Moreover, in most cases

*these sacrifices and votive offerings consisted of human tributes who were offered to some bloodthirsty, sacrifice-demanding gods. Only later were these human sacrifices and human killings slowly superseded, and the human blood substituted by fragrant ointments and oils. In place of human sacrifices, people used increasingly more animals fruit or vegetables and the like. But it is for all these reasons that even today the title **Christos or Chrestos** stands for absolute negativity, contempt for Creation and evil with the numerological value of 666.*

This correlation to idolatrous and sacrificial cults was one of the reasons why Immanuel rebelled at the time against the name Jesus Christ. He was perfectly aware that his spiritual teachings would be greatly falsified and coupled with an insanely contrived person called Jesus Christ. The same holds true also of the title Jesus. Hence, if Christians speak of a "Jesus consciousness", "Jesus principle" or similar things in reference to the Christian religion's false teachings that came into being as a consequence, then they are behaving very negatively and evoking all negative forces into an excessive reaction.

FIRST, IN ORIGINAL GERMAN:

"Es ist das Kind des Bösen, das Kind des Verderbens, das da ist tödlicher Widersacher wider Wissen, Weisheit und Wahrheit, und Widersacher wider Liebe, Friede, Ehrfurcht und Harmonie.

(English translation Please note: This is not an official, approved FIGU translation.)

It is the child of evil, the child of ruin, that is the deadly opponent against knowledge, wisdom and truth, and the opponent against love, peace, respect and harmony.

Es ist das Antilogos in vielfacher Form.

It is the Anti-Logos in manifold form.

Es ist die Gewalt des Bösen, die 666, das da ist wider die Wahrheit der Schöpfung, wider die Wahrheit des Geistes und wider die Befolgung der Gesetze und Gebote.

It is the force of evil, the 666, which is against the truth of Creation, against the truth of the Spirit and against the obedience to the laws and commandments.

Das ES ist ER - in Verkörperung Mächtiger, in Gesetzeslosigkeit, Herrschsucht und Blutrünst, im Anti-Logos.

The IT is HE - in the embodiment of the mighty ones, in lawlessness, lust for power and bloodthirstiness, in the Anti-Logos.

Macht des Bösen mit lügnerischen Kräften, Wundern und Zeichen und allerlei Verführung, Täuschung, Lug und Betrug, zur Ungerechtigkeit und Irrlehre bei denen, die verlorengehen im Irrwissen des Anti-Logos, weil sie die Liebe zur Wahrheit nicht annehmen zur Rettung.

Power of evil with lying forces, wonders and signs and diverse seduction, deception, lying and betrayal, toward unrighteousness and erroneous teaching by those who get lost in the erroneous knowledge of the Anti-Logos, because they do not accept the love for truth unto salvation.

Es ist das Kind der Zerstörung, das Anti-Logos, das Bösertige, Verwirrende, Schleichende, Lauernde und Tödlische. Es ist das Kind der Vernichtung, mordend der Wahrheit, 666, Anti-Logos.

It is the child of destruction, the Anti-Logos, the malicious, confusing, sneaking, lurking and deadly.

In achter Folge ist gezeugt das Anti-Logos im Totalen, das Ding als Mensch der Unwahrheit, der Schmach, der Zerstörung und des Todes.

In eighth succession is created the Anti-Logos in total, the thing as man of untruth, of disgrace, of destruction, and of death.

Vor ihm sind sieben Verkörperungen Mächtiger, in sich selbst Anti-logos, sieben

Kinder des Bösen, wirksam im Mord der Wahrheit, und mordend, blutrünstig den Menschen in vielfacher Millionenzahl.

Before him are seven embodiments of mighty ones, within themselves Anti-Logos, seven children of evil, working in the murder of truth, and bloodthirstily murdering mankind numbering in manifold millions.

Es ist das Kind des Bösen, das Anti-Logos, geboren aus dem Leib der Gottverehrerin, gezeugt in Falschheit und Lug vom Klosterbruder.

It is the child of evil, the Anti-Logos, born of the womb of her, the God-honorer, begotten in falsehood and lying by the monastery-brother.

In unscheinbarem Orte geboren, gegen Sonnenaufgang, um die siebente Stunde, ausgesetzt nach Osten gebracht, da es sterben soll an nagenden Eingeweiden.

Born at an insignificant place, against sunrise, around the seventh hour, abandoned, brought to the East, where he was to die of gnawing bowels.

Es ist aber gerettet, aufgenommen und genährt vom Schleichenden, das nie satt ist von Lug, Betrug und Falschheit.

But it is rescued, taken in and nourished by the creepy one that is never satisfied with lying, betrayal and falsehood.

Das Kind des Bösen in vielfacher Form, das Jetzt und das Zuvor, ist das Doppel Immanuels zum Scheine, so es aber doch nicht is das Doppel."

The child of evil in manifold form, the now and the previous, is the double of Immanuel in pretense, but it is not the double."

Logos= Reason; that which is logical.

THE ANTILOGOS: THE SO-CALLED "JESUS CHRIST" IS HIMSELF "THE MORNING STAR" OR LUCIFER!

This is the True Face of Christ!

The reader can read the following verse in ISAIAH 14:12

FIRST IN ORIGINAL VULGAR LATIN, AS IS IN THE VULGATE BIBLE (OFFICALLY USED BY THE ROMAN CATHOLIC CHURCH IN VATICAN WHERE WE CAN READ THE WORD "LUCIFER:

ISAIAE 14:12

*QUOMODO CECIDISTI DE CAELO **LUCIFER** QUI MANE

Isaiah 14:12 How art thou fallen from heaven, O Lucifer, son of the morning! [how] art thou cut down to the ground, which didst weaken the nations! *(KJV)*

Note: Some modern Bible translations the word Lucifer was changed or translated to "o morning star! Like this example:

Isaiah 14:12 How you have fallen from heaven, *O morning star*, son of the dawn! You have been cast down to the earth, you who once laid low the nations! (note name Lucifer was altered to 'morning star')

In another bible it reads like this: Isaiah 14:12 O how you have fallen from heaven, **you shining one**, son of the morning! How you have been cut down to the ground, you who were disabling the nations! *(New World Translation of the "holy" Bible)*

German/Deutsch: Jes:14:12 Wie bist du vom Himmel gefallen, du schöner **Morgenstern**! Wie bist du zur Erde gefällt, der du die Heiden schwächtest! (LUT)

In Hebrew:

ישעיה Yisheyah 14:12 Hebrew/Hebraico

12 וַיִּב אֵיךְ נָפְלָתָ מִשָּׁמַיִם הַלֵּיל בֶּן-שָׁהַר נִגְדַעַת לָאָרֶץ הוֹלֵשׁ עַל-גּוֹיִם:

Spanish/Español/Español: Isaias 14:12 ¿Cómo has caído del cielo, **oh lucero de la mañana**, hijo de la aurora! Has sido derribado por tierra, tú que debilitabas a las naciones.

Port.: Isaías 14:12 Como caíste do céu, **ó estrela da manhã**, filha da alva! como foste lançado por terra tu que prostravas as nações!

NOTE:

*Some religious scholars argue there is no doubt about it that Isaiah 14:12, which speaks of "Lucifer," is referring to the king of Babylon. In fact, the name "Lucifer" does not even appear in the Hebrew text. The Hebrew behind this translation consists of three words meaning "Helel son of Shachar", which is probably a name for **the morning star** (Venus), and thus is translated as "son of the morning star" by most translations. The translation of "Lucifer" was carried over from the reading in Jerome's Latin Vulgate, not the Hebrew text. There are several interpretations of these verses. (1) Lucifer is another name for Satan, because the person here is too powerful to be any human king. (2) This could be Sennacherib or Nebuchadnezzar, kings with supreme power. Their people looked upon them as gods. These kings desired to rule the world.*

But after one has read Talmud Jmmanuel and once understood its genuineness one can perfectly realize that the arguments above are not true.

NOW READ THIS ENLIGHTENING VERSE ALSO IN VULGAR LATIN, AS IS IN THE VULGATE BIBLE (**OFFICALLY USED BY THE ROMAN CATHOLIC CHURCH IN VATICAN**) WHERE WE CAN READ THE WORDS "**STELLA SPLENDIDA ET MATUTINA**"

Do you understand now who is the ANTILOGOS?
It is quite different from what people wrongly understand/know as
Antichrist!

WHO IS LUCIFER?

(Lucifer: in Hebrew *helel*, Septuagint *heosphoros* ([εωσφορος](#)) ,
Vulgate *lucifer*)

*The name Lucifer originally denotes the planet Venus, emphasizing its brilliance. The Vulgate employs the word also for "the light of the morning" (Job 50:17), "the signs of the zodiac" (Job 38:32), and "the aurora" (Psalm 109:3). Metaphorically, the word is applied to the King of Babylon (Isaiah 14:12) as preeminent among the princes of his time; to the high priest Simon son of Onias (Ecclesiasticus 50:6), for his surpassing virtue, to the glory of heaven (Apocalypse 2:28), by reason of its excellency; finally to Jesus Christ himself (Petr. 1:19; Apocalypse 22:16; the "Exultet" of Holy Saturday) the true light of our spiritual life. The Syriac version and the version of Aquila derive the Hebrew noun helel from the verb yalal, "to lament"; St. Jerome agrees with them (In Isaiah 1:14), and makes Lucifer the name of the principal "fallen angel who must lament the loss of his original glory **bright as the morning star**. In Christian tradition **this meaning of Lucifer has prevailed**; the Fathers maintain that Lucifer is not the proper name of the devil, but denotes only the state from which he has fallen (Petavius, De Angelis, III, iii, 4). The Catholic Encyclopedia.*

Note by <<"Der Meramiemann">>: *Lucifer* is another name for "Satan, an Arabic word: Ash-Shay-tan also, Shaitan, Sheitan and in Hebrew: "accuser/adversary" (also fictitious evil character and was created by church fanatics and liars!) and this meaning is the real valid one because this meaning is in the collective conscience of humankind for millennia and was created and implanted in humankind minds by ancient Christian churchmen in order to create fear in church followers menacing them with the "fire" of a non-existent place known as "hell" in order to the faithful not to leave the "Holy Church". Those churchmen lied so much to themselves and to humanity that they loose track of the multitude of written lies that they commit foolish mistakes like changing the word/name Lucifer in some translations of the Bible

but not alterations at all in other Bibles. Those churchmen/clergy are so immersed, drenched, and entangled in their self created lies that they simply do not know what to do anymore to correct their errors made with fake words and all this unaware (or fully aware!!!) of their true meanings because the gigantic confusion they themselves have created cannot be corrected anymore neither by them or their scholars or by their faithful followers. The book Talmud Jmmanuel which, for its turn, contains the real truthful words as they were said by Jmmanuel make it clear that the real meaning of words are very important and cannot be changed by anyone. The shameful alteration/falsification made in the true wordings contained in Talmud Jmmanuel is the real culprit for the whole Planet Earth be in such a state of calamity as it is today. Therefore correct interpretations of words and its correct use is very important and one can destroy a whole planet by the use of wrongly interpreted meaning of a single word as we all can witness nowadays. Now you can understand everything.

Jesus IS The Beast 666. Math PROVES it!

By J.J. Hitt and Sean Mccullough 19 Jul 94 @ 18:11
Preston Simpson wrote:

Given a bit of time and some scratch paper, I can "prove" anything with numbers. Heck, one day, I may even go so far as to calculate that Jesus Christ equals 666.

J.J. Hitt replied:

I've already done it for you. Behold...

$$A = 1 * 9 = 9$$

B = 2 * 9 = 18
C = 3 * 9 = 27
ect ect ect...
Y = 25 * 9 = 225
Z = 26 * 9 = 234

OK, duped your whole tables here. You then proved that on a simple 9-multiple numerologic table, JESUS == 666:

J = 90
E = 45
S = 171
U = 189
S = 171
----- Total
666

To which Sean Mccullough added:

You forgot about the "CHRIST" part -- but I've taken care of that also. The Greek term "Christ" is a mild mistranslation of the Aramaico-Hebrew term proper to the supposed role of Jesus/Yeshua: MESSIAH.

Lookie how MESSIAH adds up on your sweet little 9-times table:

M == 117
E == 45
S == 171
S == 171
I == 81
A == 9
H == 72

you guessed it, total is: 666!!

Open Letter to all worshippers of the so called ascended master's flames of every colors and hues and especially directed to those who adore and follow preach and teach false teachings, instructions, decrees, *affirmations* and invocations of the non-existent, hoax, and deceiving Saint Germain's' **Violet Consuming Flame** and many other non-existent masters of lies.

My compromise with Real TRUTH and the well balanced boldness that always has guided me will not let you in doubt in relation to what I feel related to the so called (and imaginary) Great White Brotherhood of Ascended Masters. In the following text I will make it clear to all of you Saint Germain and his cohorts followers of every corner of this planet Earth what really are those fake, hoax, imaginary, non-existent and deceivers masters. Saint Germain IS NOT neither was an ascended master pure and simple because this character is a real HOAX and a shameless invention created, imagined, and is fruit of the delirant minds of schizophrenic and psychotic persons.

There are absolutely NO ascended masters at all! A real human being by the name Count of Saint Germain really existed in Europe, a very normal human being like anybody else and he used to be a student of pseudo occultism and matters related to it; and that is all. This so called Saint Germain never ever was a master or belonged to the non-existent and hoax/deceiving White Brotherhood of Masters whose existence for its turn is also an imaginary, a fantasy, a very lucrative fairy tale as is also the fictional character known as Jesus Christ created also by the fruit of fertile imagination and fanatical, psychotic/schizophrenical minds of persons of the 18th, 19th, and 20th centuries that piously believed in such a lie and then gave continuation to the lie themselves through centuries.

The Great White Brotherhood is the name given in all pseudo metaphysical/occult circles to those inexistent/fake "adepts" of pseudo-wisdom tinted with "Christian messages" who supposedly have finished their earthly pilgrimages (the cycles of reincarnation) and, while ascending to a supposed higher state of existence as *masters of space, time and material existence*, have "assumed responsibility" for the cosmic destiny of the human race, both individually and collectively. Most occult groups assign a high level of importance to the inexistent White Brotherhood, but some claims to make interaction with the Ascended Masters of "The Brotherhood" a major focus of their existence. Many well known and very *active occult/esoteric/mystic secret societies* consider the "masters" to be real.

Well known persons as Helena Petrovna Blavatsky, Alice Bailey, Guy Ballard also known as Godfré Ray King and his wife Edna Ballard all of them invented, created, imagined out of their own illusions, deliriousness and self deceiving such a brotherhood of *ascended masters* in order to gather more followers and to give credibility to the false teachings of their sects, organizations and societies be it secret or not all of the mentioned persons never told or has written a single word of truth regarding such masters, their white brotherhood and their colorful 7 Rays brotherhood. Helena Petrovna Blavatsky herself established a Theosophical Society in India. It was there that Madame Blavatsky revealed her "contact" with a "mysterious" Indian and Tibetan "masters" called KootHoomi (aka Kuthumi), Morya (aka El Morya) and Dhjwal Khul (aka The Tibetan). Saint Germain was another of Blavatsky's "masters" who were largely fictions of

her imagination. Self deluded and mislead Alice Bailey's books mentions a non-existent Christ or Maytreia who supposedly will establish the New Age a pseudo and confusing FAKE and HOAX New Age! Geraldine Innocente another Saint Germain and masters channeler is said she herself committed suicide. Followers of her split from I AM Movement group called "Bridge to Freedom" (*"Brücke zur Freiheit"*) believed her father, Gus Innocente, had been previously embodied as the one who helped Jesus to carry His cross.

Madame Blavatsky and her Non-existent masters of Lie

(from Denouement of the Prophets' Cult written by Dr. Joseph Szimhart)

Our interest is in the Theosophy established by Madame Helena P. Blavatsky (1831-1891) who was perhaps the most colorful and infamous occultist of the latter 19th century. HPB, as her devotees refer to her, was born Helena von Hahn to an upper class Russian family. Eccentric, willful and high-strung from an early age, she developed a talent for telling fantastic tales and for contacting spirits by the time she was eleven. When she wished, she learned languages and music readily. She became an accomplished if unladylike equestrian as she chose to ride like the soldiers under her father's command. She acquired the coarse language and humor of the soldiers. Helena was an attractive young lady with stunning azure eyes, kinky hair, and elegant hands, but she was hardly a lady in manners. At age sixteen, on a dare that no man would have her, Helena approached Nikifor Blavatsky, then age forty, and was shortly betrothed, and having just turned seventeen married him. At the altar, when the Orthodox priest asked Helena would she honor and obey her husband, a relative reported that she mumbled, "I'll not obey God himself let alone a mere man." The brief, awkward union was not consummated according to HPB, and it ended with Helena running away from the marriage. All she took from the bewildered Blavatsky was his name.

HPB traveled extensively and in her early life lived from a stipend sent to her regularly by her wealthy family. She did work briefly as an equestrian in a circus, as a concert pianist and later as a free-lance writer, but her primary pursuit was the occult and metaphysics. By 1873 HPB had settled in America where she established herself as an exotic medium, especially in New York City and Philadelphia. Spiritualism was yet popular and it was at a séance that she met Henry Steele Olcott who would later help her establish the Theosophical Society. Olcott was a Civil War veteran, an attorney, a Mason and a journalist. He was also a student of Mesmerism with skills in hypnotism. Olcott was quite taken by HPB. He basically believed her claims to spiritual and telepathic contact with hidden masters like, John King and Saint Germain, and in her apparent paranormal powers. HPB thrilled many of her early devotees with sounds, music and written notes that magically manifested, as if from thin air. Spiritualism, however, was falling into ill repute after many exposures of fraud. Olcott and Blavatsky ventured into more serious territory with the establishment of their Theosophical Society in 1875. Its stated goal was to research and reveal ancient wisdom as well as to promote the brotherhood of mankind no matter what the religion or culture.

By 1878 Olcott and Blavatsky established a TS presence in India. It was there that HPB revealed her contact with mysterious Indian and Tibetan masters called Koot Hoomi (aka Kuthumi), Morya (aka El Morya) and Djwhal Khul (aka The Tibetan). Saint Germain was another of Blavatsky's "masters" who were largely fictions of her imagination. The Theosophists later supported Hindu and Buddhist causes of independence from colonial and Christian imperialists. HPB eschewed politics and religiosity as she concentrated on occultism, ancient wisdom, Gnosticism, and an odd array of metaphysics. From the point of view of Church Universal and Triumphant HPB was the first in the line of modern "messengers" who channeled

occult teachings from a hidden brotherhood that guides planetary affairs to revolutionize the consciousness of mankind.

BLAVATSKY: A HASHISH SMOKER

One more Freemasonic Lie.

H. P. BLAVATSKY: LIAR, PROFIT MAKER, FREEMASON WOMAN, AND A HASHISH SMOKER, A SELF DELUDED!

The famed 19th century Russian born mystic, world traveler, feminist, Theosophical Society co-founder, and author of occult classics *Isis Unveiled* and *The Secret Doctrine*, Helena Petrova Blavatsky (1831-1891) is also reputed to have been a user of cannabis:

She [Blavatsky] wrote, sometimes under the influence of hashish, several books filled with esoteric lore, which owed a great deal to Hindu and Buddhist systems of thought, and brought to public awareness in the West such concepts as karma, prana, kundalini, yoga and reincarnation." — Benjamin Walker, *Tantrism: Its Secret Principles and Practices*

A.L. Rawson, a close friend of Blavatsky for over forty years, stated concerning her relationship with cannabis:

She had tried hasheesh in Cairo with success, and she again indulged in it in this city under the care of myself and Dr. Edward Sutton Smith, who had had a large experience with the drug among his patients at Mount Lebanon, Syria. She said: "Hasheesh

multiplies one's life a thousandfold. My experiences are as real as if they were ordinary events of actual life. Ah! I have the explanation. It is a recollection of my former existences, my previous incarnations. It is a wonderful drug and it clears up profound mystery." [41]

The modern day Theosophical society denies hashish had any great influence on Blavatsky's life, admitting she may have experimented with it in her youth, but that is about the extent of it. But a number of well known authors, such as Benjamin Walker and the much respected English writer Colin Wilson, thought her use of cannabis was relevant enough to have commented on it. The Theosophists point to a couple of negative comments towards hashish Blavatsky made near the end of her life when her health had deteriorated from chain-smoking cigarettes, and found herself unhappily surrounded by scandal.

After Blavatsky died in 1891, her floundering cause was taken up Annie Besant who successfully guided that branch of the TS until her death in 1933. The influence of Blavatsky's TS far outreaches the relatively low membership. The TS splintered shortly after HPB's death as there immediately arose a controversy over who "the masters" would use as Secretary (HPB's position in the TS) or "Messenger." In conflict with Besant, William Q. Judge, a TS founding member, assumed this task of messenger. Judge formed a separate TS sect established initially as the Theosophical Society in America in 1909. An offshoot is the United Lodge of Theosophists. Meanwhile Besant came to rely on Charles W. Leadbeater (CWL), a former Anglican priest, who also claimed to have telepathic contact with the masters. Church Universal and Triumphant - CUT - has referenced some of Leadbeater's teachings, especially on the chakras, spirits and the human aura, but its leaders have avoided mention of him as a "master."

The Ballard's cult and the *Mighty "I AM" or "I AM ACTIVITY"*

(from Denouement of the Prophets' Cult written by Dr. Joseph Szimhart)

CUT's formation, however, depended primarily on two mediums and their teachings: Guy and Edna Ballard, who founded the I AM Activity in 1934. CUT reveres Guy Ballard, a.k.a. Godfre Ray King who died in 1939, as an "Ascended Master". The Ballards were an eccentric couple who dabbled extensively in occultism, New Thought, Christian Science and Theosophy for some years before appointing themselves as Messengers of the Ascended Masters, a.k.a. the Great White Brotherhood. Much of their doctrine on ascension, affirmation and *decrees*, the "body electric," suppression of negative thought and the I AM concept borrowed heavily from the New Thought writings of Annie Rix Militz (1856-1924). Rix Militz was a key if somewhat forgotten figure in the New Thought milieu. She established the Home of Truth centers. (16) There is also some evidence that the New Thought mail-order religion of Psychiana inspired the Ballards in their formation of colored "rays" and lessons . *(Violet Flame was created/invented out of the schizophrenical and psychotic deliriums of the Ballards)*

In the early 1930s the Ballards associated with the Legion of Silver Shirts, the first fascist if ultra-patriotic party in America. Incorporated in 1933 it meant to establish a new Christian society modeled after Hitler's Third Reich. The Silver Shirts' founder, William Dudley Pelley, had been a screen writer whose early career as a journalist took him through Russia where he witnessed horrible atrocities perpetrated against citizens by the Communist revolution. Pelley

came to view the liberal Jew coupled with the Illuminati as the masterminds of the Communist threat to world domination. He also believed in the now infamous *"Protocols of the Elders of Zion"*, a forgery disseminated by anti-Semitic factions in nineteenth century Russia. Later, Mark and Elizabeth Prophet also presented the *Protocols* as "real" to their devotees. Pelley was harassed legally and politically for his growing fascist activities that attracted thousands of members. Edna Ballard especially absorbed much of Pelley's political and metaphysical rhetoric that she recycled into early "I AM" **FAKE** teachings. While Pelley struggled with the law at his headquarters in Asheville, North Carolina, many of his disaffected members joined with the Ballards to launch their I AM movement from Chicago.

Beyond Theosophy, New Thought, and the Silver Shirts a fourth significant influence came from Guy Ballard's personal contact with Baird T. Spalding, who wrote *Life and Teaching of the Masters of the Far East*. This was a series of six volumes, the first published in 1924. Spalding lived with the Ballards briefly in 1929. (22) In his series he recounts his claimed adventures from 1894-98 in India and the Tibetan region where he and his party of eleven met superhuman "masters" with magical powers who initiated them into mysteries of the great I AM. Despite his claim to the contrary in volume one, Spalding had not been to the Far East until after his third volume was published in 1935. Both Spalding and Ballard wrote their adventures in the magical autobiography genre, a euphemism for writing from the imagination. CUT promoted the Spalding series in their bookstore at conferences I ([Dr. Joseph Szimhart](#)) attended in 1979-80 and members I knew believed the stories literally.

Guy Ballard claimed to have met Ascended Master Saint Germain around 1930 on the slopes of Mt. Shasta in California. Under the name Godfre Ray King, Ballard published his incredible adventures with Saint Germain and other "masters" in two volumes, *Unveiled Mysteries* and *The Magic Presence*. All other publications in the basic I AM series are a compilation of dictations through the Ballards from a variety of Ascended Masters including Saint Germain, Jesus, Morya, Hercules, Helios, Nada, Bob, Lord Maitreya and many others. The *Mighty "I AM"* movement sustained a meteoric rise within a few years gaining more than 10,000 members ("50,000" according to an elderly member I interviewed in 1975) across America with major centers in Chicago, Los Angeles, Philadelphia, Washington D.C., Santa Fe, and Mt. Shasta, California.

The sect ran into serious setbacks by 1940. The leaders were sued in 1938. The *Chicago Herald & Examiner* ran a large headline: "WOMAN SUES 'GREAT "I AM"'" on October 14, 1938. During 1923-24 the Ballards had allegedly duped many clients to invest hundreds of thousands of dollars in a dubious Lake of Gold in California venture. Guy Ballard had claimed to have special knowledge of a secret cache of gold in a lake. The Ballards faced criminal charges in 1929 over another gold-in-the-lake venture, but managed to avoid arrest. The indictment read: "Obtaining Money and Goods by Means of the Confidence Game." They were apparently very convincing but never produced an ounce of gold. The Ballards continued to claim special knowledge through their Ascended Masters about large gold deposits in mountains in India and America. Guy Ballard died on December 29, 1939 of painful complications from "arterio-sclerotic heart disease and cirrhosis of the liver" despite his claim and the members' belief that Ballard had an "eternally enduring" body and would ascend before physical death.

Within months after Guy died, several I AM leaders, including Mrs. Ballard were indicted on eighteen counts of mail fraud (USA vs. Ballard, Los Angeles Super. Ct., No. 14496).(30) The trial went through several stages of conviction and reversal through 1944 when remaining charges were dropped under a First Amendment protection clause pertaining to freedom of religion. The I AM leaders paid fines and were forbidden to use the U.S. Postal Service again until 1954.(31) Membership and support for the group dropped dramatically and remained relatively low until a mild revival since the 1980s that coincided with the burgeoning New Age movements. Edna Ballard died in 1971. The I AM has remained without a Messenger since and is basically run by a committee of five leaders. It continues to have annual gatherings in Mt. Shasta, CA when

reportedly a thousand or so people convene. ([*from Denouement of the Prophets' Cult written by Dr. Joseph Szimhart*](#))

And what do we see today? A huge multitude of persons intending/pretending to "transmutate" their "Karmas" and also of the whole mankind by means of "Invocations" and "Flames" of every imaginable colors and hues. That is a complete absurd and a shameful lie!

Self deluded and deceived and mislead persons claiming to be "channelers" pretending to be the bearers of "channelized messages" from the *beyond*, from deceased persons, from non-existent "masters", from "jesus christ" "himself" in person, from extraterrestrials from other light years distant planets and universes and from every kind of imaginary "friends from beyond" from who knows where and astonishingly they even contact "Talking Dolphins from Pleiades"! This is the psychotic neurosis of their Fake New Era.

There already exist organizations of sectarian groups and persons and - astonishingly as it may be - are selling "Saint Germain's Toilet Soap" "Ascension Food", "Saint Germain's T-Shirt" "Saint Germain's crystals/stones" and even invented the so called "Saint Germain's Florals" and every kind of foolish objects, from fancy trinkets and gadgets to false teachings channelized multitude of books with the brand Saint Germain and everything well characterized by the **violet color: the color of lie and the purple color of a dead body**. All of this is pure and simple an aggressive strategy of marketing originated and created by groups of followers and their deceivers gurus of pseudo-esoteric organizations being 100% of them all pure and simple cheat and charlatany in connection to the lucrative greed and madness of the pseudo New Age. Many mislead and deceived followers of such inexistent masters use to pay large sums of money for an annual huge meeting on Mount Shasta - U.S.A where supposedly the so called "invisible masters" invisible use techniques of "ascensional invocations" in order to "burn" attendants" and whole humankind "karmas". They call it "*Wesak Festival*" where the "spirits" of Buddha himself, as well as "Christ" and other "Christened Extraterrestrial" as Ashtar "The Evil One" Sheran meet altogether in NON existent "invisible realms" supposedly close or on top of this well known Mount Shasta.

The REAL higher spirit-forms, that really DO exist are in the inaccessible higher spiritual planes known as [**Petale and Arahath Athersata**](#), and these higher souls of these higher planes never ever contact those self deluded mislead and deceived "mediums" or "channelers" who claim to be "messagers" from the so called "masters" and extraterrestrials from other universes and far away planets. There exists in North and South America and especially in Brazil and all over the world millions of printed books of every sort and 100% of them - without exception - are written lies, deception, fake channelings and pious religious texts, related to Christianity messages, sayings, invocations of "blazing flames that burnts one's karma", and well detailed descriptions of the illusory "realms" of the hoax and illusory and non-existent ascended masters, all of the books have fancy titles and very attractive covers and also are supposedly written by "ascended master such and such" or written by demand of such and such master. All of these books are nothing else than pseudo channelized texts and are based on the madness and illusions of supposed deceased "human authorities" that do not exist beyond their own imagination and on "mediuns/channellers" certainly influenced by some entity or self created characters created by their own minds and thought forms that created/assumed self life and are covered by a violet/purple tainted mask of lie and of pseudo wisdom and fake philosophy, therefore entities created by their own self deluded minds that are fed by the written channalized hoax and lies of others also deceived by books and faith and this thing goes on and on one person contaminating other person's mind with delusions, and with inutile multicolors flames invocations, fake masters, etc.

About Ashtar Sheran or Aruseak:

Many people have heard this name in regards to channeling and FAKE UFO contact.

This Ashtar-Sheran is also a lie, nobody, absolutely nobody can "channel" this character who actually is DEAD! This person really existed and was/had a very evil mind. Ashar-Sheran was killed in DAL Universe in 1983 because of his wrongdoings for so many years on Planet Earth influencing persons by means of thoughts impulses on matters related to religious lies and deceiving. Also the person known as "Tuella" real name is Thelma Terrell, who later changed her name to "Tuella" when she later decided to "channelize" "Ashtar material" and write many pseudo-channelled books thus calling it all "Ashtar Command channelings". Her sister later turned out to be no better. From that point on, many more people decided to channel Ashtar themselves for more dollars a sure profit and this same act spread worldwide as a disease and many mislead people in their illusions also started to "channelize" the same messages of lies.

I will list below the names of all, at least most of all, the so called masters and cohorts, that do not exist in any form be it human, spiritual, extraterrestrial or anything imaginable. The hoax, lie, deception, non-existent misleading entities are known by sectarian groups, new-agers groups, psychotic and schizophrenic fanatics are the following:

Master Rackhozy aka [Count Saint Germain](#), Master El Morya, Master Kuthumi, [SAI BABA](#), Master Paul the Venetian, Master Zoser, Master Serapis Bey, Master Hilarion, Master Lanto, Master Lanello, Council of the Twelve, Lord Buddha, Christ Sananda, Lord Mahatma, Amen Ptah, Archangels Zadkiel, Archangel Metatron and his Merkabah, Archangel Gabriel, Archangel Rafael, Archangel Micheal, Archangel Faith, Archangel Zadkiel and Holy Amethyst and many others inexistent archangels, Sanat Kumara, Lord Christ Maytreia, Jesus Christ himself, Melchizedek, Djwhal Khul, The Holy Spirit, Oromasis, Lady Portia, Lady Rowena, Lord Krishna, The Cosmic and Planetary Ascended Masters, His "Holiness" Lord Melchizedek, Elohim Arcturus and Victoria, Elohim Masters, The Goddess of Liberty, "Mighty I Am Presence", Ashtar-Sheran, Hatton, Germaine, Emmanuel, Immanuel, Dharma, The Lord and Lady of Arcturus, Virgin Mary, Mother Mary, Divine Mother, Lady or Master Nada, Allah Gobi, Apostle Paul, Melchior, Helios and Vesta, Lady Quan Yin, Shtareer, Nibiruan Council, Talking Dolphins from Pleiades, Lyran and Pleiadean Brotherhood, Sirian High Council, and astonishingly "Christened Extraterrestrials", and a huge multitude of many others "Cosmic and Planetary hoax Ascended Masters of lie".

[NOTE: SEE WEBSITE EX-DEVOTEES OF SAI BABA](#)

<http://www.exbaba.com/>

Every single one of all the above mentioned names of the "masters" are names of imaginary and illusory entities they do not exist in any spiritual form or human form visible or invisible and are mental and psychotic/schizophrenically creations/inventions of deceivers and channelers. The same applies to all those persons who claim to receive messages from Jesus Christ a fictitious character that never existed in any point of real history of planet Earth and does not exist be it in human form or spiritual form. All persons claiming something like this are lying to themselves and to other self-deluded, innocent, and mislead people all around the world who blindly believe and follow those who teach those fictitious characters are real. All channelers and mediums who claim they are real have become thereby totally self-deluded and they continue to draw innocent souls into the chaos of their delusion. They are definitively not real!

No further comments for all those who have read the Real Truth contained in the book Talmud Jmmanuel.

So it is up to you to believe in such hoaxers and deceivers and non-existent masters of lie! So I have spoken in Truth and so it is!

Talmud Jmmanuel

The Clear Translation in English and German - third edition

Why are "THEY" here?

One reason is to set the record straight about religion in general and the New Testament in particular.

"Religion is only a primitive concoction by man to command, suppress and exploit others, to which only spiritually weak life forms succumb.

Bring this truth to light throughout the world and make it known to the people.

This is an additional part of our mission.

If this does not happen, mankind will slowly destroy itself and fall into complete spiritual darkness.

We know that you are aware of a secret old text whose originals were unfortunately destroyed through the carelessness of our delegate, your friend, who, regrettably, has failed through fear.

Disseminate the translation of this text, for it is the only truly authentic one and free from lies.

We also know that you are writing a book on this text and on the real truth.

To us it seems to be the most important book ever written by a human being of your Earth, even though it will be harsh in its language and be met with hatred.

It finally offers the truth to the Earth humans, although it still contains some speculations.

It has the power to finally destroy the madness of religion within many people or cause them at least to seriously ponder these matters.

It is an extraordinarily good piece of work and you should make it available to other people."
